A kitchen is a home to life. As India’s complete kitchen solutions provider, we are doing more than kitchens. We believe we are shaping and transforming ideas for living across a million homes. This belief forms our core, our purpose and defines everything we do - from foraying into newer products and segments to introducing newer, more efficient technologies for over a decade.

Every day is a new beginning. And we are excited to bring more convenience, more value and more excellence in many more lives.
A LEGACY OF INNOVATION AND CHANGE

At Kutchina, change is constant. Our diligent R&D team consistently studies market trends and customer needs to bring in new technologies across our product range. It is this eye on the future that helped us pioneer India’s first auto clean chimney and it continues to inspire us to innovate every day.
STRETCHING IMAGINATION FOR MORE CONVENIENCE

1st GEN CLEANING CHIMNEY
- Chimneys with effortless & oil collector technology
- Cleaning with the help of soap water

2nd GEN AUTO CLEAN
- AGAIN water clean technology with increased efficiency in cleaning

3rd GEN DRY AUTO CLEAN
- With a single touch, chimney can clean itself automatically

i-AUTOCLEAN TECHNOLOGY
- Powered by AI, chimney sets self-cleaning schedules as per cooking frequency & duration
INTELLIGENT TECHNOLOGY THAT EVOLVES TO NEW AGE NEEDS

i-Auto clean chimney powered by AI, understands new age customers’ needs just as we do. Here is an intelligent system that not only understands the user’s cooking cycle but also time constraints. The i-Auto clean chimney therefore sets self-cleaning schedules as per cooking frequency and duration. And cleans without the touch of a button.
CHIMNEY

FROM INDIA’S FIRST AUTO-CLEAN TO SELF-CLEAN CHIMNEYS

When it comes to customer convenience, Kutchina is the first to deliver. Our range of self-clean chimneys take convenience to an all new high. From the makers of India’s first auto-clean chimney now you can find a new intelligent chimney that cleans without a hassle and adds convenience and value to customers’ time.
